2	Company of America was called for jury duty and was selected to serve as a juror on a criminal	
3	trial, which would conflict with the February 16, 2006 mediation date. Additionally, the parties	
4	originally agreed to mediation early in the case, before discovery took place and before	
5	substantial resources were expended on the litigation, to allow UNUM to review medical	
6	records to be provided by plaintiff's counsel. Counsel for plaintiff has been providing medical	
7	records to UNUM and is still in the process of gathering additional medical records for UNUM's	
8	review. The requested continuance will allow counsel for plaintiff to provide the medical	
9	records that he would like UNUM to review in advance of mediation and will allow time for	
10	UNUM to in fact review the medical records before mediation.	
11	Moreover, plaintiff's counsel is undergoing hip replacement surgery on February 20,	
12	2006. The mediation has been set in May to allow plaintiff's counsel ample time to recuperate	
13	from his surgery.	
14	Pursuant to local rules, this document is being electronically filed through the Court's
